

Pupil Premium Expenditure 2017-2018

Key priorities:

- Our core aim is to raise the attainment and progress of Pupil Premium pupils so that their performance compares favourably with Non-Pupil Premium peers.
- Address the inequalities in education of pupils from low-income families and raise the attainment of these pupils.

What we expect to see:

Outstanding teaching and learning is paramount to the progress of pupils from disadvantaged backgrounds. This remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

- Improve levels of attainment and progress
- Close attainment gaps relative to school averages
- Enhance reading, writing, mathematics and communication skills
- Have a clear focus on all disadvantaged pupils, including those with SEND and more able pupils
- Support pupils in becoming aspirational, confident and successful learners
