

**KING'S PARK
ACADEMY**

High Expectations lead to High Achievers

19.12.18

Dear Parents/Carers,

Thank you to all of you who came to share our Tudor presentation with us on Monday. We really enjoyed sharing our learning with you and plan to hold a similar event next term at the end of our Space project.

We now have a firm date booked for our outing to Winchester Science Centre – Thursday 10th January. The visit will take part during normal school hours but please ensure that your child arrives at school promptly on that day as the coach will depart at 9.10am. We will return to school and the children will be ready to be collected as usual at 3.30pm. Children will be required to wear smart school uniform on the day and will need to bring a packed lunch (Chef David will provide lunches for those children who have school dinners). There is a gift shop and children may bring up to £5 to spend if they wish. It is a lovely outing and the Year 5 staff are really looking forward to inspiring the children with all the exciting activities we have planned.

Thank you to parents who have already paid for the trip. Please could all outstanding payments be made as soon as possible.

Once again, thank you for all your support this term and we wish you a very happy Christmas.

Regards,

The Year 5 Team
