Dear Parents/Carers,

EYFS – USING TAPESTRY

Just a reminder that the daily email from tapestry has a link to the activity memo, which can only be viewed via the browser but will work on any device. Your username and password are the same for both the browser and the app. Observations of your child completing the activity can be added either by the browser or the app.

To add an observation,
click on +
select your child
add the title
add notes about what the child has done
add media

WEBSITE FOR RESOURCES

We have put together a website where you will find all resources needed for home schooling. We are hoping that this will be easier for you all as it is in one place. Please visit www.kpaevents.co.uk then click on the relevant year group for your child.

BBC – BITESIZE – HOME SCHOOL LEARNING LESSONS

Go to the BBC bitesize page where they are bringing you three new lessons every weekday, with videos, activities and more. Lessons range from Reception to Year 6, however some children may wish to work on a different year group depending on their ability, so have a look, try and decide what suits you best. These are great free resources that will supplement Purple Mash if needed. <https://www.bbc.co.uk/bitesize>

BCP DEDICATED HELPLINE FOR RESIDENTS

BCP Council have launched a dedicated helpline to support residents through the Coronavirus outbreak. The dedicated helpline can provide a range of support, from organising deliveries of food and household supplies to people in need, as well as providing information and advice.

The dedicated helpline is 0300 123 7052 and will be open 8am-8pm seven days a week.

BLOGS

Blogs have been set up on Purple Mash under the sharing tab for the children to communicate with their teachers and their friends.
