

The pupil premium was introduced in April 2011. It was allocated to children from low income families who were eligible for free school meals and children who had been looked after continuously for more than six months. Eligibility for pupil premium for 2012-13 was extended to pupils who have been eligible for free school meals at any point in the last 6 years (known as the Ever6 free school's meals measure) in addition to the children who have been looked after continuously for more than six months, and a smaller amount for the children of service personnel.

Schools are free to spend the pupil premium as they see fit. However, they are accountable for how they use the additional funding if there is a gap in progress and attainment between those that have the premium and those that do not.

Funding to narrow the gap

How the funding is broken down:

	2020-2021
Pupils in Year groups recorded as Ever 6 FSM	£1320
Looked After Children (LAC)	£2300
Children adopted from care under the Adoption and Children Act 2002 and children who have left care under a Special Guardianship or Residence Order	£2300
Pupils recorded as Ever 4 Service Child or in receipt of a child pension from the Ministry of Defence	£300

KPA funding:

Number of pupils Eligible for PPG funding:	192
Total of funding:	£258,240

At King's Park Academy common barriers to raising attainment for PPG funded pupils, when compared to non-PPG pupils, are:

- Lower entry point attainment in reading, writing and maths
- Higher proportion of SEN pupils
- Lower reading ages
- Reduced vocabulary range and communication skills
- Lower attendance
- Limited aspiration and home support
