

Dear parents/carers,

In the event that your child is not able to come to school due to self-isolation, please access online learning through the national Oak Academy website. This website has a wide range of taught lessons led by teachers that can be accessed through any internet abled device: <https://www.thenational.academy>

As a guide, the table below shows the series of lessons within the site that should be accessed for each year group, in line with the children’s current topics. Please also ensure that children read every day.

In the event of a class or year group bubble needing to be closed following advice from our Local Health Protection Team (we still have no confirmed cases within our immediate school community), then we will move to providing online learning and learning packs using the same systems and processes as during the summer term.

Unfortunately, we are unable to provide paper learning packs for anyone isolating currently.

Thank you once again for your understanding and patience at this most challenging time. We are working really hard to make sure that we are able to continue to educate all of the children whilst also being robust in keeping everyone safe and can only do this with your help and assistance.

Best wishes as always,

Lauren Dean
