11 June 2020

Dear Year 1 Parents and Carers,

Firstly, I would like to say thank you for making the transition back to school so successful. It has been wonderful having the children back, hearing their voices and watching them play with their friends. They have adapted really well to all of the changes and have settled back into their learning like they have never been away.

From next week (Monday 15th June) we would like to extend the day. Please see the timings below:

Class	Start Time	Home Time
1RW	9:10 – 9:20	1:10
1KJ	9:20 – 9:30	1:20
1EG	9:30 – 9:40	1:30

The procedure for dropping off and picking up remains the same. You must be in school during your 10-minute allocated slot otherwise you will be sent home and please ensure that you collect on time.

SNACK

At present we are not being supplied any snack from the government and this won't be reinstated until September, so please send your child in with a healthy snack that they can have to eat during the morning for example a piece of fruit, a fruit bar or a cereal bar (no crisps, cakes or chocolate bars please).

HOME LEARNING

If your child is not coming into school, they can still access resources on our home learning website www.kpaevents.co.uk. It is important that the children are still continuing with their learning during this time. We would like to see all children in school, however we are aware that some children need to remain at home during this time.

If you have any questions, please email me at kpa@kingspark-academy.co.uk

Best wishes as always,

Lauren Dean
