

# **SCHOOL DAY**

**We expect all parents/carers to wear a face covering and to adhere to the 2-metre rule of social distancing. To aid social distancing please can only one adult/carer attend school and leave the school site as soon as your child has been dropped off to avoid any congestion.**

## **Where will we drop off and pick up?**

The children will be starting and finishing at staggered times and will use their allocated entrance/exit points. It is imperative that you turn up at the correct time as we need to ensure that we are adhering to all social distancing measures that are in place.

**We will continue to close early on a Wednesday during the summer term.**
