

**KING'S PARK
ACADEMY**

High Expectations lead to High Achievers

19 May 2021

Dear parents/carers,

We are continuing to have problems in the play park before and after school and these issues are taking up a large part of our day, of which we should be spending teaching.

I am aware that many of the children in years 5 and 6 walk alone to and from school, however they still need to always behave sensibly.

I am having continuous reports regarding bad language being used towards each other and incidents of pushing, punching, kicking etc from the children, parents, and local residents. These behaviours are not acceptable and as I have mentioned before, there will be consequences as the children are representing the school. I will be contacting parents to drop off/collect their child if we continue to get reports of misbehaviour.

If your child uses the park unattended, please can you remind them how to behave – your support with this would be greatly appreciated.

I will also be speaking to the children regarding their behaviour and reminding them of the expectations from school.

Hopefully, the children can continue to enjoy the play park as intended.

Thank you as always for your support.

Best wishes,

Lauren Dean
