

**KING'S PARK  
ACADEMY**

High Expectations lead to High Achievers

21 September 2021

Dear Parents/Carers,

## READING PLUS

Our school is using Reading Plus to help your child become a better reader. Reading Plus helps students develop the skills they need to be proficient readers and lifelong learners.

Through regular Reading Plus practice, reading will become easier, comprehension will increase and this helps them to make meaningful connections between what they read and what they are learning. Your child will have a Reading Plus session assigned to them for the week. The expectation is that they **complete at least one book each day**. That is at least 5 per week.

The program keeps track of assignments completed each week as well as their progress. Their teacher will be able to track how well your child is doing, be able to send them messages of encouragement and guide them if they are off track.

**The more they practice reading and comprehending, the readier for secondary school they will be.**

Step 1	Go to	<a href="https://student.readingplus.com/seereader/api/sec/login">https://student.readingplus.com/seereader/api/sec/login</a>
Step 2	Enter site code	rpkingsacad
Step 3	Enter username	First 3 letters of first name and last initial (e.g. jacs for Jack Smith) in lowercase.
Step 4	Enter password	Personal password given to student.

### LET'S GET STARTED!

By the end of this week, your child should have completed an InSight assessment at school. However, if you would like to start Reading Plus straight away, you can easily do the assessment at home by following the instructions. The InSight assessment takes between 30 – 50 minutes to complete. Once the assessment has ended, they will have a library full of fiction and non-fiction texts to choose from, which meet his or her needs based on their results. The link below takes you to bite-size videos that you as parents/carers can watch with your child. These are here to help you understand what Reading Plus is and to make sure it is used effectively when children are learning from home.

We are very excited to be introducing this programme into Year 5 and look forward to hearing your feedback.

If you have any questions, please do not hesitate to contact us.

Kind regards,

Year 5 Team

**Mrs Green, Miss Pritchett, Miss Cottam and Mrs Russell**
