

**KING'S PARK
ACADEMY**

High Expectations lead to High Achievers

24 June 2022

Dear Parents/Carers,

With only 4 weeks left, we have a busy end to this academic year. Please make sure that you check the diary dates below so that you don't miss out on any events that are happening.

Sport's Day

Year 3 – 6 Sport's Day will be held on Monday 4th July over at the Athletics Stadium in King's Park. Children will need to come to school in a coloured T-shirt that links to their house colour, blue shorts and trainers. Please also remember to pack a water bottle, sun hat, and apply sun cream before they come to school. Parents are welcome to join us from 9.30am.

Transition Day

On Friday July 1st, the children will meet their class teacher for September. This year we will not be mixing any classes so the children will remain as they are.

Year 6 will all be attending their new secondary schools on this day so please do not send your child to KPA.

Goodbye

Unfortunately, we will be saying goodbye to Mr Jerrams at the end of the term. As you are aware, Mr Jerrams has a real passion for Forest Schools and a dream job has come up that he couldn't resist. We will all be sorry to see him leave but wish him all the best for his next venture.

Attendance

A reminder that any holiday requests will be unauthorised and may lead to a penalty notice. I am aware that some families have not been on holiday since COVID and that it is cheaper in term time, however we have to follow our policy and work with families who have below 96% attendance.

Uniform

Children should be wearing the correct uniform to school until the end of term. On PE days, children should be wearing a white t-shirt, blue shorts and a blue tracksuit. Please do not allow your child to wear football kits or other items of clothing to PE lessons.

Annual Reports

It is important that you download the DCPro app to ensure you receive your child's annual report electronically. Please follow the below instructions and if you need help, please contact the school office.

1. Whether you are logging in via the App or online you need to click on 'Register' first. This can be located under the username and password section.
2. In the register screen input **YOUR** first name, surname and email address. This then creates a link that will be emailed to you, check your junk folder as well. Click on this link and create a password for your DCPro account.

Part of Ambitions Academies Trust

3. Once this is done go back into DCPro and log in with your email address and password.
4. You will then be prompted to add a child, on the App, this is in the bottom right-hand corner with an outline of person and a + sign, online it simply says 'Add Child'.
5. This is where you type in the registration code that came to you via a letter with your child, you MUST enter it exactly as it is typed using upper and lower-case letters.
6. You will then have to input your child's date of birth either by using the calendar that appears in the app or in the box provided online. It is set to 1990 as default just change as necessary.
7. You then click complete, and you are all set up, there will be nothing to show on the application at present, but you will get a notification when the report is available to view.

Have a great weekend.

Best wishes as always,

Lauren Dean
Principal
