All of our menus and recipes have been nutritionally analysed and meet the legally required Food Standards for School Food. We aim to reduce sugar, salt and fat in our food, while increasing fruit, vegetables and fibre. We will encourage children to choose a healthy hot meal, ensuring they have a nutritionally balanced school lunch. Much of the Produce used in our menu is sourced locally.

Food Allergies and intolerances: If you would like information regarding ingredients used in our food please speak to our chef. Please inform our Chef or lunch-time staff of any food allergies or special dietary requirements.
