## Statement of Intent

Ambitions Academies Trust (AAT) is committed to taking all steps possible to avoid placing anyone at a substantial disadvantage and to providing an environment that enables full curriculum access which values and includes all pupils, staff, parents/carers and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs.

AAT is committed to taking positive action with regard to disability and to developing a culture of inclusion, support and awareness across AAT.

This policy must be adhered to by all staff, pupils, parents/carers and visitors.

## **ADMISSIONS POLICY** **KING'S PARK ACADEMY, BOURNEMOUTH – 2025/26**

The Published Admission Number for the Academy for the year 2025/26 is:

**90 pupils in Year Reception**

Arrangements for applications for places at the King's Park Academy operate within the BCP agreed scheme for coordinated admission arrangements 2025/26.

The Academy Trust will consider all applications for places at King's Park Academy. Where fewer than the published admission number(s) for the relevant year groups are received, the Academy Trust will offer places at King's Park Academy to all those who have applied.

### **Oversubscription criteria**

Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. After the admission of children with Education, Health and Care Plans where King's Park Academy is named on the Plan the criteria will be applied in the order in which they are set out below:

- a) A 'Looked After Child' or who was previously a 'Looked After Child' (as defined by the Admissions Code) and children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted;
- b) Children of staff at King's Park Academy where the member of staff has been employed at the Academy for two or more years at the time at which the application for admission is made or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
- c) Children who live in the Academy's catchment area (<http://www.kingspark-academy.co.uk/wp-content/uploads/2016/01/Map-of-KPA-Catchment.pdf>) and whose siblings currently attend the Academy and who will continue to do so on the date of admission;
- d) Children who live within the school's designated catchment area;
- e) Children who do not live in the school's designated catchment area but who have siblings who attend the school and will continue to do so on the date of admission;
- f) All other children.

## **Waiting list**

Subject to any provisions regarding waiting lists in the LA's coordinated admission scheme, the Academy will operate a waiting list for each year group. Where in any year King's Park Academy receives more applications for places than there are places available, a waiting list will operate until 31 August. This will be maintained by the Local Authority in conjunction with the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out for entry to Year R. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

All waiting lists for each year group will cease on 31 August, prior to a new waiting list being generated in September. In June, families with children on the waiting list in any year group will be required to confirm with the academy that they wish to remain on this list for the following academic year.

## **In-year admissions**

The local authority co-ordinates admissions for in-year applications and for applications for year groups other than the normal point(s) of entry. This will not affect the Academy's right to determine which applicants have priority for admission.

Subject to any provisions in the co-ordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy Trust will consider all such applications. If the year group applied for has a place available, it will offer a place unless admitting the child would prejudice the efficient provision of education or use of resources.

If more applications are received than there are places available, the oversubscription criteria will apply. Parents/carers whose application is turned down will be added to the waiting list and entitled to appeal the decision. This will not delay decisions made in respect of the application, and where spaces are available, they will normally be offered.

Applications should be made directly to BCP admissions:

<https://www.bcpCouncil.gov.uk/Schools-and-learning/School-admissions/Changing-school-during-the-school-year/Changing-school-during-the-school-year.aspx>

We strongly believe that to ensure that health, wellbeing, and the social, emotional, mental health of children we need to carry out the following actions before a start date is agreed.

1. contact the previous school to discuss needs and academic progress
2. meet the family
3. family to visit the school

This will enable the school to ensure that there is a smooth and successful transition, with resources in place to meet the pupil's needs.

## **Additional information:**

### **1. Looked After Children and children who appear to have been in state care outside England**

A "Looked After Child" means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was "previously a Looked After Child" means a child who after being Looked After became subject to an Adoption Order under the Adoption Act 1976 or under Section 46 of the Adoption and Children Act 2002, a Residence Order or Child Arrangement Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Applicants can be asked to provide additional evidence in order to verify the previously looked after status of a child. It is at the discretion of the Academy what evidence is required. The final decision will be made by the Academy. If any information supplied by an applicant is judged by the Academy to be fraudulent or intentionally misleading, the Academy may refuse to offer a place, or if already offered, may withdraw the offer.

### **2. Applications for a place in any year group other than a young person's correct age-related National Curriculum year group**

Applications for young people to be educated outside their normal national curriculum year group will be considered by a specialist panel comprising:

The Special Educational Needs Coordinator (SENCo), a member of the Academy Advisory Committee and the Principal of the Academy.

Applicants must provide with their application form the following information in support of their request:

1. Clear, documented evidence that to place the young person in his/her normal age group would be detrimental to his/her educational progress or likely exam performance.
2. Clear evidence that it would not be detrimental to the interests of the young person's social and emotional development to be placed in a different year group.
3. Clear evidence that the young person has previously been placed in a different year group and this has had positive benefits.

(A young person would need to meet criteria 1 and 2 above in all cases, for agreement of an out of year group admission. The existence of criterion 3 would serve to strengthen a case.)

### **3. 'Admission of children outside their normal age group'**

The policy in regard to consideration of requests from parents for their child's admission to Reception to be delayed by a year is attached. The policy can consider requests from parents of children whose birthday is between 1 April and 31 August and meet the criteria. The procedure for consideration of these requests is set down within the policy.

#### **4. Entry into the Reception Year**

Parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made.

If the applicant is under statutory school age, parents may request that their child attends part-time until later in the school year, but not beyond the point at which they reach compulsory school age. Parents and school may jointly agree a pattern of daily attendance that would suit the child, starting at mornings only, building up across the year. Part-time attendance will be reviewed and monitored regularly. Application for their child to go part-time must be made direct to the Academy after the offer of a place has been made and accepted by the parent.

At schools that have Nursery classes or have links with a nearby Nursery, transfer to the Reception year is not an automatic process. Applications for a place in the Reception year from parents with children already attending a Nursery class will be considered at the same time as applications from parents whose children are not attending the school's nursery. All applications will be considered in accordance with the priorities set out in the admission policy. Children currently attending the Nursery class do not receive priority.

#### **5. In Year Admissions – Looked After Children and Previously Looked After Children**

A Looked After Child or Previously Looked After Child may be admitted to the Academy above the Published Admission number if it is felt by the Local Authority, in consultation with the Academy, that the Academy is the most appropriate placement to meet the needs of the individual child.

#### **6. In Year Fair Access**

All the admission authorities in BCP have established an In-year Fair Access Protocol. The purpose of the Protocol is to ensure that – outside the normal admissions round – unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible.

Cases are considered by a Panel comprising Headteachers and/or their representatives. If the year group applied for has a place available, it will offer a place unless admitting the child would prejudice the efficient provision of education or use of resources. This includes where behaviour significantly interferes with the pupil's / other pupils' education or jeopardises the rights of staff and pupils to a safe and orderly environment. Decision of the Panel may mean that the Academy might have to admit young people which could result in the Published Admission Number being exceeded.

#### **7. UK Service Personnel and Crown Servants**

For families of service personnel with a confirmed posting, or crown servants returning from overseas. The school will consider an application in advance of the family arriving in the area, provided the application is accompanied by an official letter that declares a relocation date. The school will use the address at which the child will live when applying the admissions criteria, as long as parents provide some evidence of their intended address (including using a Unit or quartering address as the child's home address where a parent requests this), and will offer a place if, after applying the admissions criteria, the child is eligible for a place.

## **7. Flexi Schooling**

King's Park Academy does not support applications for flexi-schooling – see section 10.8 Elective home education: departmental guidance for local authorities (publishing.service.gov.uk)

## **8. Applications from separated parents**

Only one application can be considered for each child. Where parents / carers are separated it is essential that agreement is reached by both parties concerning the nominated preferred schools. Where a child spends part of their week with one parent and part with the other, only one address can be used. This must be the address at which the child spends most of their time during term time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the Academy what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will be made by the Academy. If any information supplied by an applicant is judged to be fraudulent or intentionally misleading, the Academy may refuse to offer a place, or if already offered, may withdraw the offer. To be read in conjunction with the AAT Legal Name Policy.

## **9. Applications for young people of multiple births**

If there are insufficient places to accommodate all the young people of a multiple birth (i.e. twins, triplets etc.) if one young person can be admitted then the other siblings of the multiple birth will be admitted over the Academy's Published Admission Number.

## **10. Withdrawing an offer of a school place**

The Academy may withdraw the offer of a place if it is considered that the offer of a place was obtained using fraudulent or intentionally misleading information.

## **11. Home address**

The home address where a child lives is considered to be a residential property that is the child's main or only address during term time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the Academy what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will be made by the Academy. If any information supplied by an applicant is judged by the school to be fraudulent or intentionally misleading, the school may refuse to offer a place, or if already offered, may withdraw the offer.

## **12. Main Entry Change of Address**

When applying for point of entry, King's Park Academy will not accept a change of address once the National Closing Date has passed. The National Closing Date for point of entry year groups (Reception, Year 3 and Year 5) is 15 January 2026. This means if your moving date is after 15 January 2026, we will use your old address to categorise your application. You will need to tell us your new address so we can update your child's record. If you move house after you have submitted your application but before the National Closing Date, the main allocation will be based on your address at the closing date, and the address will be updated on any waiting list from national offer day, should you not initially have been offered a place. The relevant date for the house move is (if purchasing) exchange of contracts occurring on or before the closing date; (if renting) signed tenancy agreement which commences on or before the closing date.

### **13. Definition of siblings**

“Sibling” means:

- a full brother or sister who lives with one or both parents or carers in the same property during the school week.
- a half-brother or half-sister who lives with one or both parents or carers in the same property during the school week.
- an adoptive brother or sister who lives with one or both parents or carers in the same property during the school week.
- a foster brother or sister who lives with one or both parents or carers in the same property during the school week.
- non-blood related children who, together, all live with one or both parents or carers in the same property during the school week.

### **14. Distance measurements**

Where there are not enough places for applicants within a criterion listed above, distance measurement will be used with those living closer to the school receiving higher priority.

Distance will be measured in a straight line by the Local Authority’s computerised measuring system from the designated point of the child’s home address to the designated point of the school (as designated by the Local Authority measuring system). If distances are equal, for example in a flat in a block of dwellings with the same front entrance, a random allocation system will be used to determine the allocation of a place. This process will be supervised by someone independent of the school.

### **15. Academy’s Catchment Area**

A map of this area forms part of this policy document and can be obtained from The School or the school website <http://www.kingspark-academy.co.uk/wp-content/uploads/2016/01/Map-of-KPA-Catchment.pdf>.
